Dear Mr. Ramirez:

This is the final response to your September 3, 2019 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. We received your request on September 11, 2019 and assigned it case number 19-F-1861. We ask that you use this number when referring to your request.

The Defense Advanced Research Projects Agency (DARPA), Mission Support Office (MSO), a component of the Office of the Secretary of Defense (OSD), conducted a search of their record systems and located 19 pages determined to be responsive to your request. Mr. Brian Eshenbrenner, Director of MSO, in his capacity as an Initial Denial Authority, has determined that one page of the information is exempt from release pursuant to Exemption 4 of the FOIA, 5 U.S.C. § 552 (b)(4) which pertains to trade secrets or commercial or financial data that is privileged or confidential and which, if released, would result in competitive harm to the company. Additionally, portions of the remaining 18 pages have been determined to be exempt from release pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552 (b)(6), which applies to information that if released, would constitute a clearly unwarranted invasion of the personal privacy.

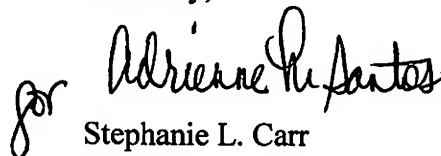

If you are not satisfied with this response, you may contact our OSD FOIA Public Liaison, Darrell Williams, at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil. Also, please note that the Office of Government Information Services (OGIS) offers services to requesters who have disputes with Federal agencies. You may contact OGIS if you have concerns about the processing of your request. Their contact information is provided below:
